RE: Mill Slag from Trail, BC

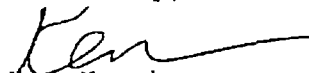

Dear Chuck:

Savage Transportation ("Savage") will haul mill slag from Valley, WA to Ash Grove's Plant in Seattle, WA and cement from Seattle to Spokane for a base rate of \$29.00 per ton. Lane Mountain Silica Company would haul the mill Slag from Trail, B C to Valley, WA. for a base rate of \$5.50 per ton. This bid is predicated on the following parameters. 29
5.50
\$34.50

1. The Spokane cement terminal will be available only 8:00 A.M. to 5:00 P.M. Monday through Friday and closed on Holiday.
2. Mill Slag in transit from Valley, WA can be stored at the clay storage facility in Black Diamond, WA.
3. The rate of \$5.50 per ton for the mill slag from Trail, B. C. is a back haul rate. If necessary, the head haul rate will be \$9.50. Rate includes storage, stock pile maintenance and loading Savage trucks.
4. The head haul rate for mill slag from Valley, WA to Seattle, WA if necessary will be \$23.50 per ton.
5. The parties would have a definitive long term (at least five years) agreement.
6. The annual volume is approximately 36,000 tons.

If more information is required please contact me.

Sincerely,

Ken Neesham
Operations Manager
